Our Certificate

History of Nikunj Export

2020 : Establishment and Trademark Registration Nikunj Export was founded with a vision to provide high-quality cleaning products. The brand registered its trademark "Nivablue" in 2020, marking its official entry into the cleaning products market. This milestone set the foundation for Nikunj Export to establish itself as a reliable manufacturer of a diverse range of cleaning solutions.

2020: Registration in Government e-Marketplace (GeM) In the same year, Nikunj Export registered in the Government e-Marketplace (GeM), enabling the company to supply its products to various government departments and agencies. This registration facilitated a broader reach and access to public procurement opportunities.

2022: Registration with Haryana Tourism Nikunj Export further expanded its presence in 2022 by becoming registered with Haryana Tourism. This partnership aimed to promote the brand's cleaning products within the tourism sector, enhancing the hygiene and cleanliness standards in tourist facilities across Haryana.

2023: Inclusion in Kendriya Bhandar* In 2023, Nikunj Export achieved a significant milestone by being enlisted as a supplier for Kendriya Bhandar, a major retail chain in India. This inclusion not only boosted the brand's visibility but also allowed Nikunj Export to reach a wider consumer base, providing essential cleaning products to households across the region. Through these strategic developments, Nikunj Export has established itself as a trusted name in the cleaning products industry, focusing on quality, customer satisfaction, and sustainable practices.
